

SAFETY DATA SHEET

1. Identification of the preparation and of the company.

Product name : Polish
Usage : Polisher
Manufacturer : Duobond BV, Laarakkerweg 10, 5061 JR Oisterwijk, The Netherlands
Phone: +31 (013-) 5444440
Telephone number in case of emergency: +31 (013-) 5444440

2. Composition of and information on the ingredients.

This product is to be considered as a preparation according to EU-legislation.

Chemical description:

Information on the ingredients:

Weight percentage CAS-number

The preparation contains no substance with a health hazard within the meaning of the Dangerous Substance Directive of the EC.

I-number: none

Symbol: none

R-phrases: none

3. Identification of hazards

No Specific risks

Polish has water as a solvent.

4. First Aid Measures

Symptoms and effects : None.

Inhalation : Non-toxic. Move victim into fresh air.

Skin contact : Rinse the skin with water. Remove the contaminated cloths or shoes.

Eye contact : Immediately and thoroughly rinse with water 10-15 minutes.

In case of persistent irritation, obtain medical attention.

Ingestion : Mouth should be rinsed thoroughly, drink several glasses of water.

Advice to physician : None

5. Fire-fighting measures:

Suitable fire extinguishers: The product itself is not flammable. Powder, foam, and water can be used.

Unfitted extinguishers : None.

Exposure risk : None.

Hazardous combustion products: None.

Special protective equipment for fire fighters: In case of fire, use compressed-air masks and wear protective clothing.

6. Precautions in the event of an unexpected release of the product.

Personal precautions

For personal protection: Section 8

Environmental

precautions : Recover usable material by convenient method. If necessary, unrecoverable material may be washed to drain with large quantities of water.

Cleaning methods : As the product is fully water-soluble and biodegradable, it will not harm sewage- treatment micro organisms if disposal by sewer or drain is necessary.

Dispose of in accordance with all applicable local, state and federal laws.

7. Handling and storage.

Technical precautions/

Safety precautions : No specific technical safety precautions are required.

Storage : Store in a frost-resistant location.

Packaging material : Polythene.

8. Precautions to control exposure/personal protection.

Technical precautions: No specific technical safety precautions are required.

Sanitary precautions : Do not eat, drink, or smoke during work.

Exposure limits : No specific measurements are required. Exposures to concentrate-mist may cause mild irritation of nasal passages or throat: remove to fresh air. Get medical attention if irritation persists.

Personal protection:

Protection of the respiratory system: Not applicable.

Hand protection : Not applicable.

Eye protection : Safety goggles with side flaps.

Skin and body protection: Non applicable.

9. Physical and chemical properties.

Physical condition : Paste

Colour : White

Odour : None

pH : 8-9

Viscosity : <10.000 mPa.s

Relative Density : 1,1 (water =1)

Flashpoint : None

Explosion limits : None

■ Bottom limit : None

■ Upper limit : None

Vapour pressure : 23 hPa

Solubility:

Water solubility : Mixable with water, not soluble

10. Stability and reactivity

Stability : Stable

Substances to avoid : None.

Hazardous products of decomposition: The product is stable. Not applicable.

11. Toxicological information

There are no data available on the preparation itself.

Specific toxicological information:

Acute toxicity: Not determined.
MAC value: Not applicable.
Skin: Not toxic.
Eyes: Redness.
Inhalation: Not applicable.
Sensibility: Not determined.
Genotoxicity: Not determined.
Chronic toxicity: Unknown
Other toxicological information: None.

12. Ecological information.

Ecological toxicity effects: Quantitative data on the ecological toxicity effects are not available.
Further ecological information: Polish has no environmental disadvantages. (OECD)
Biological effects: None
Further information: None.

13. Instructions for disposal.

Discharge of residue/unused agents: Dispose of as chemical waste in compliance with local and regional regulations.
Contaminated packaging: Clean packaging with water.

14. Transport Information.

Not subject to transport regulations
Land transport RID/ADR
Sea-transport IMDG extra information
Air-transport ICAO/IATA extra information

15. Regulatory Information.

Chemical identity: Polish
I-number: Not applicable.

Labelling according to EC Directives.

Symbol/Symbols: None.

Special hazards: None.

Safety recommendations: None

16. Other information.

Legislation : This safety information sheet meets the EC directives (91/155/EG) version 2001/58/EG.

Warning The data above have been collected from existing literature with utmost care. Duobond will not accept any liability for damage, whatever its nature or volume, resulting from the use of these data.

Date of first issue : 27.03.2003

Issue date : 13.05.2011

Version : 3 (total revision)
